

Word Problem Graphic Organizer

Answer the questions in each step to boost your problem-solving skills!

Plan

What is this problem asking me to do? What do I know that will help me solve this problem?
What are some ways to solve this problem? What's an initial plan?

Monitor

How am I doing? Is this making sense? Am I doing this correctly? If something isn't working,
what can I change from my original plan?

Evaluate

Does my answer make sense? How did I do on this problem? What did I learn?
